Dear Senator Levin:

Thank you for your recent letter to the President offering your views with respect to the international human rights conference in Moscow in 1991.

I have directed your recommendation for an agenda item for this conference to the President's foreign policy advisers. I am certain that they will carefully review and consider your suggestion regarding Raoul Wallenberg at the appropriate time.

Thank you again for your interest in writing.

With best regards,

Sincerely,

Frederick D. McClure
Assistant to the President
for Legislative Affairs

The Honorable Carl Levin
